Description and Extent of Change:

Avago Technologies (M) is qualifying a new Assembly and Test Operations Site for the above mentioned products.

Before Change:

Contract manufacturer: Malaysia Plant 1 (existing)

After Change:

Contract manufacturer: Malaysia Plant 2 (new)

Reasons for Change:

Existing plant end of lease contract.

To increase operational effectiveness with a better manufacturing facility in view of higher product demand.

Effect of Change on Fit, Form, Function, Quality, or Reliability:

No form, fit and function change.

All the affected products will still be manufactured to the same technical specification. Avago Technologies will ensure that appropriate process and quality controls are in place at the new contract manufacturing plant.

Effective Date of Change:

Product shipment using this change will commence on or around 1st December, 2011 and may vary depending on customer demand and depletion of inventory levels.

Qualification Data:

Samples Availability will be ready by first week of Sept. 2011

These changes have been reviewed and approved by Avago Technologies engineers and managers per Avago Technologies procedure: Change Control and Customer Notification, A-5962-6052-80.
