Description and Extent of Change:

The above part numbers will be packed using new ammpack box design.

Reasons for Change:

To prevent wrong orientation during device loading and unloading from ammpack box.

Effect of Change on Fit, Form, Function, Quality, or Reliability:

The change is limited to packaging box only, no change on the product and box dimension.
Below is the design of new ammpack box.

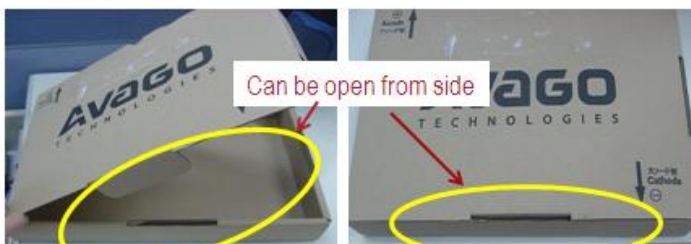

Current box

Both side anode & Cathode can be open

New box

Can be open from side

Only anode side can be open after the box was sealed

AVAGO
TECHNOLOGIES

Effective Date of Change:
