

Product Change Notice

Issue Date: 20 MAR 2012

Change Type:

IC change

Parts Affected:

ACPL-M61L	ACPL-064L	ACPL-W61L	ACPL-K64L	ACPL-061L
-----------	-----------	-----------	-----------	-----------

All associated options and specials will also be affected.

Description and Extent of Change:

Minor modifications on existing IC

Reasons for Change:

Improve IC performance and robustness

Effect of Change on Fit, Form, Function, Quality, or Reliability:

All electrical specifications, fit, form, function remain the same.
Appropriate electrical characterization and reliability qualification have been performed on representative products to ensure normal parametric distribution, consistent electrical performance, and reliability.

Effective Date of Change:

Implementation of the change will be effective from product date code 1220 (YYWW).
Timing of shipment of the changed part will vary by part number depending on qualification completion, customer demand, and inventory levels.

Qualification Data:

Qualification data has been generated and approved.

Please contact your Avago Technologies field sales engineer or Contact Center (<http://www.avagotech.com/contact/>) for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days.
