### **Description and Extent of Change:**

Avago Technologies (M) is qualifying a new Assembly and Test Operations Site for the above mentioned products.

	Current	New
CM	CM1	CM2
Location	South, Malaysia	North, Malaysia

### **Reasons for Change:**

Second source Contract Manufacturer – as part of product assurance of supply and in view of higher product demand.

### **Effect of Change on Fit, Form, Function, Quality, or Reliability:**

No form, fit and function change.

All the affected products will still be manufactured to the same technical specification. Avago Technologies will ensure that appropriate process and quality controls are in place at the new site manufacturing plant.

### **Effective Date of Change:**

Product shipment using this change will commence on or around May 2013. Avago Technologies will advise the exact date code .
