

Product Change Notice

Issue Date: 14 February 2008

Change Type:

Change SPI purchase quantity from 10 pcs to 100pcs for parts in List A and from 1 pc to 10 pcs in List B.

Parts Affected:

List A

AT-41435G
AT-41535G
AT-42010
AT-42035G
AT-42070
AT-42085G
AT-64020

MSA-0770
MSA-0870
MSA-1105-STRG
MSA-1110
MSA-1120
MSA-9970

List B

AT-64023

Description and Extent of Change:

Wireless Semiconductor Division (PL47) is changing SPI quantities of the parts in the affected section. With this change the packing will be in quantities of minimum 100 pcs per SPI instead of the 10 pcs for those products in the **List A** and from 1 pc to 10 pcs in **List B**. There will be no other change. The product will also be manufactured to the same electrical and physical dimension specifications as per product data sheet.

Reasons for Change:

The SPI change is being made due to several reasons as stated below:

- i. Better production efficiency.
- ii. Standardization of packing quantities.

Effect of Change on Fit, Form, Function, Quality, or Reliability:

Product specifications will remain the same.

Effective Date of Change:

The approximate effective date of change will be May 2008.

These changes have been reviewed and approved by Avago Technologies engineers and managers per Avago Technologies procedure: Change Control and Customer Notification, A-5962-6052-80.

Please contact your Avago Technologies field sales engineer or Contact Center (<http://www.avagotech.com/contact/>) for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days.
