PCN#: 030413

Dear Sir/Madam:

Subject: Notification of Change to LT3748 Die

Please be advised that Linear Technology Corporation has made minor changes to the LT3748 die to improve production yield at temperature extremes.

No changes have been made to the device functionality, electrical specifications or datasheet.

The change was qualified by performing electrical characterization over the full operating temperature range and operating life test on 77 pieces at 150C for 168 hours.

The product built using new die will be shipped with an approximate datecode of 1327.

Should you have any further questions, please feel free to contact me at 408-432-1900 ext. 2519, or by e-mail at Ngirn@Linear.com. If I do not hear from you by April 4th, 2013, we will consider this change to be approved by your company.

Sincerely,

Naib Girn
Quality Assurance Manager
