Subject: Changes to Minimum Order Quantities, and Order Increments for MCU and Analog Products.

To: TOKYO ELECTRON DEVICE

Change Type: Minor

Description of Change:

To align with Cypress standard practice and eliminate excessive handling Cypress will implement minimum order quantity (MOQ) and ordering increment (OI) requirements for MCU and Analog products purchased in trays or tubes.

Affected Parts: See the attached file for a list of all part numbers affected by this change.

Approximate Implementation Date:

MOQ and OI changes will affect all new purchase orders submitted to Cypress after October 2, 2016. All existing backlog will not be affected.

Anticipated Impact:

MOQ and OI will impact orders for the affected part numbers. Cypress recommends that customers take this opportunity to review these changes against current demand to assess impact (if any) to their application.

Method of Identification:

Please see the attachment.
