**PCN # : 090529-68**

**Part # : FM1808**

**Date Issued: 7/4/09**

**Date Effective: 7/4/09**

### Means of Distinguishing Change :

- ☒ Product Mark  
☐ Date Code  
☐ Other

The lot code will begin with C.

Top side mark example:

FM1808-70-SG (Part#)

Cxxxxx (lot code, C indicates this revision)

RIC YYWW (Date Code)

### Purpose of Change:

- ☒ Design  
☒ Process  
☐ Assembly  
☐ Test  
☒ Manufacturing  
☐ Data Sheet  
☐ Product Mark  
☐ Other

Production of these devices will be moved to one of our US-based foundries. The new device will be a form, fit and function replacement.

The new device will be available for evaluation in Q3 2010.

Ramtron will maintain inventory on the current revision through Q1 2011.

### Quality Assurance Summary :

The US wafer fabrication site for this product is certified to ISO9001, ISO14001, QS9000 and TS16949. Process and product qualification will be concurrent with sample availability.

### Part numbers affected:

**FM1808-70-SG**  
**FM1808-70-SGTR**  
**FM1808-70-PG**
