Product/Process Change Notice

(Initial and date all changes/No pencil or whiteout/Cross out all errors.)

PCN # : 100622-83

Part # : FM24V02-G

Date Issued: 6/22/10

Date Effective: 6/22/10

Means of Distinguishing Change :

- ☐ Product Mark
☐ Date Code
☐ Other

None

Purpose of Change:

Design

- ☐ Process
☒ Assembly
☒ Test
☐ Manufacturing
☐ Data Sheet
☐ Product Mark
☐ Other

Assembly and test was previously done at UTL (Thailand). To increase capacity and improve lead time we are adding Hana (Thailand) as an additional source for assembly and test.

Parts with date code 1024 and later are sourced from both UTL and Hana.

Quality Assurance Summary :

Additional Qualification testing is planned for product assembled at the new location and a Revised Qualification report will be published shortly thereafter.

Part numbers affected:

FM24V02-G
FM24V02-GTR
