

Product Change Notification

Product group:	< SKiiP3 >	Rev.:	00
No.:	PCN 13-053	< Improvement of robustness against moisture >	

Subject of change: SKiiP3 isolation foil power module

SEMIKRON product type: All SKiiP3 systems

Description of change:	 old isolation foil	 new isolation foil
	Old version: isolation foil from HOSTAPHAN RN 25	New version: isolation foil from PI FEP

Replacement of isolation foil and improvement of internal bus bars for a more robust design against moisture. Nevertheless climate class 3K3 will not change.

Old and new versions are fully compatible to each other (paralleling possible).

Reason for change: More robust against moisture

Identification of change: New part numbers. Generation of new part number is in progress.

Time schedule for change: Type wise change over: starting 01.10.2013.

Supporting documentation: n/a

Date: 2013-07-17 **Author:** Anastasia Schiller
