

> Product Change Notification (PCN)

Product group:	SEMI PACK	Rev.: 0
No.: PN19-096	Alternative supplier for main terminals of SEMIPACK2	27 Aug 2019

Dear valued partner,

Thank you for using SEMIKRON products. Within our continuous improvement activities we are working to enhance performance, quality and reliability of our products. This notification is to inform you of a relevant change.

We would like to express our sincere appreciation for your cooperation regarding the following changes and want to assure you that SEMIKRON will work closely with you to support your requirements during this transition.

Please respond to this notification by indicating your decision on the below approval form, sign it and return it to your SEMIKRON sales partner before 27 Sep 2019.

Subject of change: Main terminals of SEMIPACK2

SEMI KRON SEMIPACK2 (only modules with country of origin Slovakia)
product type:

Description of change: Introduction of an alternative supplier for the main terminals. The material properties of the terminals remain unchanged. The Ag plating of terminals from the new supplier shows a different visual appearance, which is only a cosmetic optical deviation with no impact on any relevant terminal properties.

Reason for change:	Securing of supply chain.
Impact of change:	No change of form, fit and function. Different optical appearance of the terminals from the new supplier.
Identification of change:	Traceable by lot number.
Time schedule for change:	Introduction in the production earliest by CW49/2019. Samples available from CW39 on.
Last time order date:	-
Last time delivery date:	-
Qualification:	Concluded and passed according to SEMIKRON standards.
Supporting documentation:	Available upon request.
