**Orderable Part Number Retirement and Replacement
for Select Devices in Niches: Freon, Netra, and SubArtic**

Dear Customer:

The purpose of Revision A is to inform customers of the extension of the life time buy period.

This is an announcement of the impending part number retirement of a device(s) that is currently offered by Texas Instruments.

A life time buy on the affected product is not being offered and customers are advised to transition to the replacement part immediately. The details are in the following pages.

Any negotiated alternative change requirements will be provided via the customer's defined process. Customers with previously negotiated, special requirements will be handled separately. Any inquiries should be directed to your local Field Sales Representative.

For questions regarding this notice, contact your local Field Sales Representative or the PCN Manager (PCN_ww_admin_team@list.ti.com).

Sincerely,

PCN Team
