

PDN# 20230616000.3 Discontinuance of Select UART Interface Devices Product Discontinuance Notification

Date:June 16, 2023To:TOKYO ELECTRON DEVICE (DSTR) PCN

Dear Customer:

The recipient has been identified for notification of changes for one or more of the products affected by the change detailed in the notice. Customers are notified based on recent customer purchase history or the recipient is listed as being part of GIDEP (Government-Industry Data Exchange Program).

TI would appreciate it if you would notify us of any future demand and estimated quantities needed for the affected products as soon as possible.

In an attempt to satisfy continuing requirements, TI is offering a non-cancelable, nonrefundable last time buy for the product. Related dates are included in the notification. We will contact you as soon as we have completed a review of all customer responses and determined the appropriate course of action required to satisfy the need for this/these products.

The notification period is governed by TI's standard process. Any inquiries should be directed to your local Field Sales Representative.

If you require additional supply beyond the dates defined in this letter, please contact your local Field Sales Representative to determine if the parts may be available from a TI-authorized distributor for discontinued products. There is no guarantee of continued supply for these products.

For questions regarding this notice, contact your local Field Sales Representative or Change Management team

Sincerely,

Change Management Team SC Business Services

Details of this Product Discontinuance follow on the next page(s).

PDN Number: 20230616000.3			PDN Date:		June 16, 2023	
Title: Discontinuance of Select UART Interface Devices						
Customer Contact: Chang		e Management Team		Dept:	Quality Services	
Last date to order:		June 16, 2024	Last date to ship:		Dec 16, 2024	
Change Type: Product Discontinuance - End Of Life						
Product Discontinuance Notification Details						
Description of Discontinuance:						

Texas Instruments, Incorporated (TI) is announcing the discontinuance of select UART interface devices. Part Numbers are listed in the Product Affected Section. A non-cancelable, non-refundable last time buy is being offered per the date shown above.

Recommended replacements are being offered as shown in the Product Affected Section.

NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any replacement products, please contact your local sales representative.

Reason for Withdrawal/Discontinuance:

This PDN is related to TI's multiyear transition plan for DFAB in Dallas, Texas. DFAB will remain open, but will focus on 200-mm production, with a smaller set of technologies. The technology for these devices is being phased out of DFAB. These changes are part of our multiyear plan to transition these products to processes and technologies that will continue to be supported.
