Discontinuance of Select Devices
Product Discontinuance Notification

Date: July 14, 2023
To: TOKYO ELECTRON DEVICE (DSTR) PCN

Dear Customer:

The purpose of Revision A is to retract 5 devices which should not have been included in the original notification, and change 6 recommended replacement products. Details are provided in the Description of Withdrawal/Discontinuance Section on page 3 of this document. We apologize for any inconvenience this may have caused.

The recipient has been identified for notification of changes for one or more of the products affected by the change detailed in the notice. Customers are notified based on recent customer purchase history or the recipient is listed as being part of GIDEP (Government-Industry Data Exchange Program).

TI would appreciate it if you would notify us of any future demand and estimated quantities needed for the affected products as soon as possible.

In an attempt to satisfy continuing requirements, TI is offering a non-cancelable, non-refundable last time buy for the product. Related dates are included in the notification. We will contact you as soon as we have completed a review of all customer responses and determined the appropriate course of action required to satisfy the need for this/these products.

The notification period is governed by TI's standard process. Any inquiries should be directed to your local Field Sales Representative.

If you require additional supply beyond the dates defined in this letter, please contact your local Field Sales Representative to determine if the parts may be available from a TI-authorized distributor for discontinued products. There is no guarantee of continued supply for these products.

For questions regarding this notice, contact your local Field Sales Representative or Change Management team

Sincerely,

Change Management Team / SC Business Services

Product Discontinuance Notification Details				
Description of Discontinuance:				
<p>The purpose of Revision B is to retract 5 devices originally included in the discontinuance letter. As a result of this retraction, 6 of the recommended replacement products are also being changed. The affected devices are identified with a strike through and yellow highlight in the Product Affected Section below. These 5 retracted devices will continue to be supported.</p> <p>There is no change to the original Last Date to order or Last date to ship for the remaining devices as shown above.</p> <p>Revision A corrected two replacement products which are denoted with a strike through in the Product Affected Section below.</p> <p>Texas Instruments, Incorporated (TI) is announcing the discontinuance of select devices. Part Numbers are listed in the Product Affected Section. A non-cancelable, non-refundable last time buy is being offered per the date shown above.</p> <p>Exact recommended replacements are being offered as shown in the Product Affected Section.</p> <p>NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any replacement products, please contact your local sales representative.</p>				
Reason for Withdrawal/Discontinuance:				
TI will no longer support certain tube/small reel packing, temperature range variants, or E4/G4 variants for the following products. The recommended replacement products are equivalent devices shipped in large reels.
